Dear Friends,

Each year, approximately 20,000 women in the United States are diagnosed with ovarian cancer. Eighty-five percent are diagnosed at a late stage, making it more challenging to treat. With the help of our community partners, She ROCKS has provided more than \$1.7 million since 2014 to fund research into early detection methods and more effective treatments through the research programs at UNC Lineberger Comprehensive Cancer. Locally, we partner with Cone Health, providing patient assistance contributing toward rent, utilities, transportation, and other basic needs so women can focus on their treatment. To date, we have raised over \$140,000 for local efforts.

On **September 26, 2025, we will host our 8th Annual Triad Fundraising Event** at The Barn at Summerfield Farms. This year's event will take the form of a Cock**TEAL** Party, featuring all of the food and fun we've grown to love about this event over the years. We hope you'll join us for a night of revelry, awareness, and making a difference in the fight against ovarian cancer.

We appreciate your consideration of our sponsorship opportunities this year. Enclosed, please find the 2025 sponsorship information. Our generous sponsors have sold out this event the last three years. To ensure the availability of your desired sponsor level, visit our website or complete and return the enclosed sponsor form. Individual tickets, if available, will be on the website for purchase in August.

Please do not hesitate to contact us if you have questions, and thank you for support of She ROCKS.

Sincerely,

A handwritten signature in cursive script that reads 'Kasey A Stone'.

Kasey Stone
President, She ROCKS Board of Directors
